THE ETS COMPASS

POINTING YOU IN THE
RIGHT DIRECTION

FAITH | FAMILY | COMMUNITY SERVICE | TECHNOLOGY

How are your thoughts influencing your future?

Do you make **accusations** for someone when they do something wrong, blaming their character even if you don't know the circumstances? BUT....do you tend to make **excuses** for your own faults, for your own mistakes, or even for your own sins?

The bible says in Matthew 7:12, "So in everything, do to others what you would have them do to you, for this sums up the Law and the Prophets."
And that may be why Jesus said no matter what they do, think the best. Give to them what you would want them to give to you. In other words, If you want to have friends - be friendly. If you want to be respected - respect others. If you want people to speak well of you - always speak well of others, wherever you go. Think about this....what did God give us? Not what we deserved! He gave us love and grace, so that we give Him love back in return. Today, everywhere you go, and in every situation you're in, treat each person that you see in the way that you would want to be treated. Speak to them the way you would like to be spoken to. Love them in a way in which you would like to be loved.
I challenge you today to be mindful of your ways..... After all, doing unto others is the Golden Rule!

~Amy

Core Value: Community Service

ETS Solutions hosted our 2nd Annual Servant Technology Concilium at Chateau Elan Winery & Resort, raising \$10,000 for local non-profit Inspiredu! Inspiredu plays a critical role in bridging the technological divide in Atlanta and surrounding areas.

"We were so honored to be presented with a \$10,000 check at the Servant Technology Concilium to continue the development of education for our youth. Mayor Andre Dickens along with an array of speakers shared wise words for the crowd." - Inspiredu Atlanta

"I came here today to applaud ETS and celebrate your success, and to open myself up to continue a relationship with you... As Mayor, I would really like to create more people just like you." - Mayor Andre Dickens

It is crucial that not only as servants of our community, but servants of God, we strive to continue to break barriers and create necessary change.
